

Get answers to your health questions and concerns

Putting Members First

MedExpert is a free service provided under your benefits plan to you and your family. You can speak to a MedExpert doctor right over the phone to discuss any medical issue you or someone in your family may be dealing with.

MedExpert can help...

- + Identify how the best doctors in the world would treat your medical condition.
 - + Explain your treatment options and test results.
 - + Expedite your physician wait lists.
 - + Transfer your medical records.
 - + Carefully explain your medical records.
 - + Consider whether a surgery is medically necessary.
 - + Explain specific treatment or services on your medical bill.
 - + Identify and connect you with support groups and other community programs that may enrich your life.
 - + Coordinate your physicians.
- ... and much more
